2016 bottles on a pallet (84 bulk boxes of 24)

### SPECIFICATIONS

CODE: HS001

COLOUR: Clear

BOTTLE SIZE: 300ml

ALCOHOL LEVEL: Greater than 80g per 100g

### STANDARDS

EN 1500

EN 14791

### APPLICATION

If possible, wash hands with a suitable soap and clean water prior to applying hand sanitiser liquid. Dispense 4/5ml of liquid onto palm of hands and then massage over front and back of both hands, taking care to work well into webs and cuticle area. Ensure both hands are fully treated. Shake hands in air until dry.

**DO NOT USE A TOWEL. REPEAT THE PROCESS ON A REGULAR BASIS.**

### WARNINGS

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources, no smoking.

If in eyes, rinse continually with water for several minutes, remove contact lenses if present and easy to do so, continue rinsing, if eye irritation persists seek medical advice/attention

Do not use on children less than 2 months of age or on open skin wounds

Store between 15-30°C avoid freezing and excessive heat above 40°C

If swallowed seek medical help straightaway

**PULSAR**<sup>®</sup>

Formulated in response to the focus on hygiene problems in areas where infection through cross contamination is a problem. Used primarily for the sanitising of hands prior to contact with patients, surfaces, instruments, food, etc. World Health Organisation Formulation for effective sanitisation when used as instructed

#### APPLICATION

Dispense 5ml of liquid directly onto hands, massage over front and back of both hands, working well into webs & cuticle area. Ensure both hands are fully treated until dry.

**DO NOT USE A TOWEL**

**Keep out of eyes, ears and mouth. In case of contact with eyes, rinse thoroughly with water and remove contact lenses if present and easy to do so. If eye irritation persists or if swallowed, get medical help straight away.**

**Use within 12 months of opening**
